

EFFECTIVE JUNE 10TH, 2019

From June 10 through late August, road construction will close the intersection of Highways 164 and 167 some 7 miles to the east of Erin Hills. As this road closure will significantly affect the drive to Erin Hills for many guests, we want to let you know of two alternate routes. Regardless of the route used, please be sure to allow for extra time to reach Erin Hills.

■ If coming from the north on Interstate 41 or from the north side of Milwaukee:

- Take Highway 60 West to Hartford.
- At the stoplight in Hartford next to the Mineshaft restaurant, turn left (south) onto Highway 83.
- Drive for 4.7 miles to a four-way Stop, with a BP station on the right.
- Turn right onto County Road O, and the Erin Hills entrance is then 0.9 miles on the left.

■ If coming from the east or south:

- Take Interstate 94 West to Exit 287 for Highway 83 North.
- Drive north on Highway 83 for 15 miles to a four-way Stop, with a BP station on the northwest corner.
- Turn left onto County Road O, and the Erin Hills entrance is then 0.9 miles on the left.
